# A Comprehensive Study of Chinese Culture

## Contributions to the Study of Chinese Culture by Chinese Scholars during the Past Sixty Years

Price: NT$120 or US$ 3.00

This book was compiled by a Committee on Compilation of A Comprehensive Study of Chinese Culture under the auspices of the China Academy and was published in commemoration of the 60th anniversary of the founding of the Chinese Republic. It contains a collection of 40 biographies of Chinese scholars during the period of the Republic of China written by 39 members of various academic associations of the China Academy.

These scholars had made a great contribution to Chinese culture studies in various respects, including philosophy, education, politics, military science, literature, history, religion, art, science, journalism, engineering, etc. Their life, thought, works, and influence are dealt with, and each biography is attached with a photograph.

The book in presenting a pageant of these Chinese scholars summarizes the development of learning which represents the essence of Chinese culture in modern age, and it will be of great value to the comparative study of Chinese and Western cultures.
